

Vote 2 Rise

The Council for Native Hawaiian Advancement is proud to sponsor the “Vote to Rise” category. This category represents the need for voter registration, education, and engagement, including getting to the polls and casting a ballot. Students are asked to be creative in coming up with either a 30 or 60 second PSA that includes the following elements:

- **Voter Registration:** Text “788683” and type “vote to rise” in the comment line. Hawaii is one of 11 states where you can be at least 16 years of age to register to vote, but 18 years old to cast a ballot. Don’t want to wait in line to vote, register absentee and have your ballot mailed to you.
- **Voter Education:** Include a message about when, where, and how potential voters can cast a ballot as well as what and where ballot measures can be found.
- **Voter Engagement:** Include a message about the importance of being active in the democratic process.
