

## 2021 Youth Xchange Rules & Guidelines

'Ōlelo (which in Hawaiian means "to speak") empowers student voice by airing every student entry on cable television and over the internet. Enter 'Ōlelo Community Media's 18th annual statewide student Youth Xchange video competition and learn the value and importance of speaking out on issues that concern our youth by using the creative and powerful medium of video.

All Hawai'i state public, private, and home school and college students are welcome to participate in the only statewide student Youth Xchange video competition.
